LOUDOUN HOME REPAIR

Your home repair worksheet

Write what you notice, where it happens and the result you want. Keep the diagnosis and final scope for the contractor conversation.

Town / community: _____ Date / version: _____

Priority: 1 = first to address, 2 = next, 3 = optional. Approximate measurements are fine for planning.

Priority	Room / item	What happens + what you want changed

Materials, access and finishing details

Paint labels / product models / items you already own / times or rooms to work around:

_____

_____

Before agreeing to the work

[ ] Written scope and exclusions [ ] Materials and finish [ ] Timing and payment terms

[ ] How changes are approved [ ] Cleanup [ ] Required permits / approvals, if applicable

Keep a wide photo and a close detail for each task in your own folder. Review photos for private information before sharing. This website does not accept photo uploads.
